ISTE Students' Chapter

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. K. K. Wagh Institute of Engineering Education and Research, Nashik has ISTE students' chapter since 2003. It is one of the most active chapters of the institute.

This Chapter organizes various events for the overall development of the students. It organizes technical as well as social and other events which provide a good platform for the student's progress. It organizes events at Institute level, College level as well as state level. The events comprises of State level Elocution competition in Marathi and English, Master Student Program, Technical workshops, Soft skill programs, Industrial Visit and many more.

Currently around 800 students are member of ISTE students' chapter. Due to its wide-ranging activities and efforts this chapter is awarded as Best Students' Chapter by ISTE, New Delhi Five times. The major objective of the ISTE students' chapter is to provide a platform and training to the students to upgrade their skills and knowledge and utilize in various fields.
