Name of the visit coordinator	Ms. S. V. Shelke, Mr. P. J. Mondhe
Name of the visit instructor	Mr. S. Wagh
Outcome of the industrial visit	Students will be able to understand applications of PLC & VFD in an industry.

About Visited Industry:

Caprihans India Limited is one of the oldest and largest Polyvinyl chloride (PVC) film manufacturers in India. It is one of the largest and most trusted name in the PVC film industry, with an experience of over 7 decades.

The company's registered office is located at Worli, Mumbai, and its state-of-the-art production units are located at Thane and Nasik in the state of Maharashtra, India. Caprihans is part of Bilcare Group. The Group has manufacturing facilities spread across several continents including America, Europe and South East Asia.

With a strong focus on Research & Development, Caprihans has pioneered many products in India like Flexible PVC Films, Rigid PVC Films, PVdC Coated PVC Films and Plastic Corrugated Sheets.

The company is listed on the Bombay Stock Exchange since 1976. The company has 4 calendaring lines, an extruder line, a coating line and 2 lamination lines. It is leading exporter of PVC films (both rigid & flexible) and plastic corrugated sheets. The company is a Government recognized export house.
