About

DEPARTMENT OF PRODUCTION ENGINEERING

Production Engineering department is one of the oldest Engineering Departments of KKWIEER, established in 1984. Department with its highly qualified staff members have latest & sophisticated experimental setups, in its state of the art laboratories. The department offers a complete 4-year Bachelors degree course in Production Engineering. It also runs a P.G. course in Manufacturing Automation & Research center for Ph.D. The department has well established students association named as "Production Engineering Students' Association" (PESA) primarily for the welfare of the students to the fullest.
