

ABOUT THE INSTITUTE

Karmaveer Kakasaheb Wagh Institute of Engineering Education & Research, Nashik was established in the year 1984 at a small town known as Bhaushebnagar near Nashik. It was shifted to Nashik in 1986 and is engaged in serving the society by imparting quality technical education. The institute has picturesque campus of 23 acres, which includes a Polytechnic, Women's Polytechnic, Hostels for Boys and Girls and well-equipped gymnasium. The institute has developed state-of-the-art laboratories for conducting the various courses such as Computer, Electronics and Telecommunication, Production, Mechanical, Civil, Chemical, Electrical Engineering and Information Technology. The institute offers PG and Research Programme in Production, Electrical, Civil, Computer & E & TC Engineering Department. Electrical, Civil, Mechanical, Production and Chemical Programmes are accredited by NBA for 3 years. The institute is the first Academic affiliate Institute at IET (UK) in State of Maharashtra.

The Institute is located in Nashik City on NH 3 (Mumbai – Agra National Highway) at about 4 Km from Nashik Central Bus Stand (CBS) and 10 Km from Nashik Road Railway station connected by daily trains to all the parts in the country

ABOUT THE DEPARTMENT

Department of Mechanical Engineering was established in the year 1995 and is approved by AICTE New Delhi and affiliated to Pune University. Department of Mechanical Engineering has been accredited by NBA, AICTE, New Delhi. Department is equipped with the state of art equipment and Laboratories with excellent computational facilities including professional software packages such as AutoCAD, ZWCAD, CREO, Ansys, Hyper Works, MATLAB, Master cam, Cognifront (Basic Mechanical & Engineering Graphics). The Department is active academically with excellent results and is equally active in co-curricular activities including SAE, ISHRAE, MESA and Renewable Energy Clubs. The department has a fully fledged Energy consultancy and training cell.
