Students come to know about the Government initiatives promoting entrepreneurship and starting small scale businesses. Also, students got to know guiding tips for developing the android games.

About Speaker:

Vaibhav Mahajan Has been a serious techie after passing out from KK Wagh COE from Pune University as an Engineer in 2002. Mr. Vaibhav started his carrier as a developer and developed himself as full-time technical entrepreneur. Fascinated with new trends in technology Vaibhav was always first to explore variety of technologies and trend. From the very beginning Vaibhav was always part of many Startup companies. After working with few startups and few corporates such as Sasken, Denon and Marantz he founded AbracaDabra Software Solution Pvt. Ltd. AbracaDabra has been busy developing variety of Apps as well as Games. AbracaDabra actively helped trained and groomed hundreds of young engineers and also few entrepreneurs. Vaibhav has been always fascinated with Mythology, Music, Culture and Nature. Game Development was the outcome of connecting these with new technology. Abracadabra has published more than 25 games on Indian Mythology and Culture. Lately AbracaDabra has developed India's 1st 3D war Game - Tanhaji the Lion Maratha Warrior Which is catching global attention and fanbase. Under Vaibhav's Leadership AbracaDabra Software Solutions awarded as the Best Gaming Startup of the Year in 'Leaders of Tomorrow conclave of Times Now Group' this year.
