

!!! CONGRATULATIONS !!!

Ms. Kshipra Rajhans, student of B.E Electrical secured the runner up position at South Asia Pacific Round at PATW (Present Around The World) competition held by IET (Institute of engineering and technology)

PATW (Present Around The World) is a competition held by IET (Institute of Engineering and Technology).

It has various rounds:

- Institute level
- Regional level
- Local Network Level
- National level
- South Asia Pacific level
- Global level

Ms. Kshipra Rajhans, student of B.E. Electrical Engineering secured the first position in the institute level, Regional Level and Local Network round. There were 9 local areas presented by participants viz Bangalore, Chennai ,Delhi, Kanyakumari , Kolkata , ,Mumbai , Nashik ,Pune and Sri Lanka.

Ms. Kshipra Rajhans expressed that this experience was really enriching and enlightening for her. Hours of discussions with Prof. Shah, encouragement and support from Prof. A. M. Jain (Chairman, IET Local Network) and Head of Department Prof. Dr. B. E. Kushare, guidance from Principal Dr. K. N. Nandurkar and support from all loving and caring teachers helped her to secure the runner up position at South Asia Pacific Round. It was a wonderful journey of knowledge and learning which helped her gain vital lessons of a student's life.
