    year 2016 -17
3. Meeting with the Association of the Managements of Unaided
    Engineering Colleges Maharashtra, at Pune on 28/05/2016.

Respected Sir,

As per directives of Hon’ble Shri. Vinodji Tawde, (Minister for Higher and Technical
Education Department ) during Meeting held on 28/05/2016, at Pune, the Meeting with the
following officers/Association office bearers was held on 31/05/2016 at DTE office, Mumbai.

1) Dr. Kiran Patil, Dy. Secretary, Higher & Technical Education, Dept., M.S.
2) Dr. S.K. Mahajan, Directorate of Technical Education, M.S.

Office Bearers of association
1) Dr. R.P. Joshi, Vice President, Engineering College’s Association
2) Dr. S.A. Halkude, Regional Chairman, Engineering College’s Association
3) Mr. Amit Kolhe, Treasurer Office, Engineering College’s Association
4) Mr. Sameer Wagh, Core Committee Member, Engineering College’s Association
5) Dr. Ulhas Shirurkar, Core Committee Member, Engineering College’s Association
6) Dr. Ulhas Shinde, Core Committee Member, Engineering College’s Association
7) Prof. K.S. Bandi, Co-ordinator, Engineering College’s Association

The following points were discussed during the Meeting at DTE office.

1. Basic Condition of Eligibility for Admissions :

On 11th March, 2016 the eligibility criteria is declared by the State of Maharashtra in the
Official Gazetted. Eligibility Conditions and requirements for admissions to Professional
Education Undergraduate Courses is given in Schedule-B. In this context it is to state
that, the condition of minimum percentage of marks at the qualifying examination is
mentioned as 50% marks (45% marks in the case of Reserved Category candidates) to all
candidates.

However, the AICTE norms prescribe the condition of minimum percentage of marks at the
qualifying examination as 45% marks (40% marks in the case of Reserved Category
candidates) to all candidates. For processing the admissions for Pharmacy the same AICTE rule of 45% - 40% is being followed by the State.

In view of this, it is requested to relax the condition of minimum percentage of marks as laid down in the notification dated 11/03/2016. And the revised condition of percentage of marks please be declared as 45% marks (40% marks in the case of Reserved Category candidates) to all candidates.

2. CAP Admissions :

2(a) All India Level Quota Seats (UG) :

In CAP, 15% seats reserved as All India Quota Seats means the merit list is on the basis of All India Level. However, MS candidates can also opt for this quota. Since MHT-CET is a State CET & not at All India Level.

In order to give justice and opportunity to the candidates admissions on these seats are to be processed in the following order of preference –

(k) on the basis of JEE Main
(l) on the basis of MH-CET

2 (b) Admissions (UG) on Religious Minority Quota Seats through CAP :

➢ For processing the admissions of Religious Minority candidates through CAP religious candidates from Maharashtra State (MS) & Other than Maharashtra State (OMS) are eligible. For Religious minority Candidates the State cannot be a restricted domain as religious minority status is nationwide. Hence, OMS religious minority candidates need to be considered for admission in Religious Minority along with MS candidates to be filled through CAP. It is requested that as well there shall be a Provision of admitting the religious minority candidates on the basis of marks of qualifying examination who have not appeared for JEE/ State CET.

Submission :

We request you to admit religious minority candidates on the basis of MHT-CET and JEE simultaneously on the seats reserved for Religious Minority to be filled through CAP. In other words admissions on religious minority CAP Quota seats be processed as good as for All India Quota Seats. Admissions on Minority Quota Seats shall be made in the following order of preference –

(a) On the basis of State CET
(b) On the basis of JEE Main
2(c) Institute Level Admissions (UG) & CAP Vacancies.

Rules declared for 2016-2017 states that - Aspiring Candidate seeking admission through CAP must be from Maharashtra; & For all admissions, it is Mandatory to appear a candidate’s name in CAP Merit list.

Eligibility rules were declared by the Govt. on 11/3/2016 i.e. after the last date of enrolling for the MHT-CET-2016. Hence, it would cause injustice to all those desirous candidates who do not fulfill the above mentioned condition due to late declaration.

Whereas, in previous year (2015-16) Institute Level Admissions students were allowed to seek admission on the basis marks obtained at the qualifying examination (XII).

Therefore, it is necessary to waive off mandatory condition of appearing a name in State CAP merit list for admission at Institute Level & CAP vacancies.

Admissions at Institute level & vacancies against CAP shall be permitted in the following order of preference after waiving off the mandatory condition of appearing name in State CAP Merit list.

(a) On the basis of MHT-CET
(b) On the basis of JEE-Main
(c) On the basis of Marks obtained at the Qualifying Examination

2(d) P.G. Admissions:

Vide Maharashtra. Govt. Extra Ordinary Gazette Part-IV B No. 74 dated 11th March 2016, for PG admissions, appearing for the GATE is made mandatory.

GATE examination was conducted in Jan/Feb 2016 whereas the notification is in the month of March-2016. Therefore many students have not appeared for GATE since it was not mandatory upto 2016.

Last year 2015-16, admissions to PG were also on the basis of qualifying marks of BE/BTech at institute level.

Therefore, it is requested to allow students at least for 2016-17 on the basis in following order of preference –

- On the basis of GATE score
- On the basis of Marks of Qualifying Examination i.e. BE/BTech and after waiving off the mandatory condition of appearing name in State CAP Merit list.

OR

- In case it is not possible to admit students to PG course on the basis of marks of Qualifying Examination alternatively conduct State PG CET for PG Admission.
In view of the above, please consider our submissions and grant approval to the following prayers for admissions 2016-17 –

1. The Basic Condition of Eligibility (UG) Minimum percentage of marks at the qualifying examination as 45% marks (40% marks in the case of Reserved Category candidates) to all candidates.

2. For All India Level Quota Seats (UG) admissions shall be processed on the following basis in the order of preference –
   (a) JEE-Main and
   (b) State CET.

3. For Admissions (UG) on Religious Minority Quota Seats through CAP, there shall not be restriction of State candidature, these shall be processed considering State candidates & OMS candidates in the following order of preference –
   (e) On the basis of State CET
   (b) On the basis of JEE Main
   (c) On the basis of Marks obtained at the Qualifying Examination

4. For Institute Level Admissions (UG) & vacant seats after CAP mandatory condition of appearing name of the candidate in State CET merit list shall be waived off. There shall be no necessity of seeking prior approval to fill-up vacant seats after CAP. Admissions at Institute level & vacancies against CAP shall be permitted in the following order of preference after waiving off the mandatory condition of appearing name in State CAP Merit list.
   (a) On the basis of MHT-CET
   (b) On the basis of JEE-Main
   (c) On the basis of Marks obtained at the Qualifying Examination and
   Waiving off the mandatory condition of appearing name in State CAP Merit list.

5. For P.G. Admissions the mandatory condition of GATE examination shall be relaxed and admissions please be permitted on the basis of qualifying marks of BE/BTech. on the basis in following order of preference -
   • On the basis of GATE score
   • On the basis of Marks of Qualifying Examination i.e. BE/BTech and after waiving off the mandatory condition of appearing name in State CAP Merit list.
   OR
   • In case it is not possible to admit students to PG course on the basis of
marks of BE/B.Tech, then alternatively conduct State PG CET for PG Admission.

3. Permission of filling of vacant seats at Institute level.

As per the provision in the act, if the seats remain vacant after all CAP rounds, the said vacant seats shall be filled in by the institute through Institution level round with prior approval of Competent Authority.

Our request is blanket approval after all CAP rounds shall be given for admission for filling of vacant seats at Institute level.

You are requested to kindly consider the above submission & effect of those changes can reflect in Admission Process 2016-17 since inception.

Thanking you in anticipation,

Yours sincerely,
