

K. K. Wagh Institute of Engineering Education & Research, Nashik

Department: Electronics & Telecommunication

Report of Project based learning exhibition

Project based learning exhibition is organized by Electronics & Telecommunication department on 13th Oct 2018 from 11.00 am to 2.00 pm.

Objectives of project based learning are

1. To improves technical skills in students like Circuit Designing, Circuit testing (Hardware, software), troubleshooting and Programming etc.
2. To improve soft skills in students like Communication skills , Presentation , Report writing etc
3. This approach gives students a relevant learning experience and encourages the transfer of knowledge to new situations.
4. To improve following abilities in students like critical thinking, communication and cooperation in students

Around 50 micro and mini projects done by second, third and fourth year students were presented in exhibition. Second year students have done projects under subject digital electronics and electronics test and measuring instruments. Third year students have done projects under subject electronics system design , project done by fourth year students are form the subject VLSI design and technology.

Electronics hobby projects done by students were presented in open category. Major projects done by PG students are also kept in exhibition, there were 8 such projects.

Mr. Akshay Kulkarni from Crompton Greaves, Nashik ,Ms. Dipika Pawar from Motwane Pvt.Ltd, Ms. Surbhi Jalori from Emerson, Nashik and Mr. Rahul Patil are the experts from industry who was invited for inauguration and evaluation of projects. Dr. D.M. Chandwadkar H.O.D. E&TC and ELTX motivated students to design more innovative and application specific projects.
