

K. K. Wagh Institute of Engineering Education and Research  
Hirabai Haridas Vidyanagari, Amrut Dham, Panchavati, Nashik-422003

**Department of Civil Engineering**

**Details of field Visit**

**AY2017-18**

Sr. No.	Location of site/place visited	Class/subject for which visit arranged	Date of visit	Name of faculty organizing visit	Objectives
1	Sham Villa, Near Jatra Hotel	SE (BTM)	26/07/2017	Prof. S.U. Pandit	To measure the various components of Building.
2	Nirmiti Buildtech	SE (BTM)	12/08/2017	Prof. S.U. Pandit	1) To study various stages of building construction 2) To study different types of Masonary, formwork casting procedure
3	Dainik Bhaskar	SE (BTM)	19/08/2017	Prof. S.U. Pandit	To study modern construction materials and tools used in construction.
4	Nashik Road, Railway Station	TE (SD I)	03/08/2017	Prof. S. S. Wani	1) To Study different steel structures. 2) To study the behavior of different steel structures.
5	Vaitarana dam hydroelectric plant, Nashik	TE (FM II)	06/09/2017	Prof. A.V. Dudhekar	To study the different components of hydropower plant & it's working.
6	Jalvidnyan Bhavan, Tarwala Nagar Signal, Dindori Road, Nashik	TE (HWRE)	23/09/2017	Prof. A.V. Dudhekar	To study the different instruments used by metrological department for weather forecasting & hydrologic measurement.
7	Manmad Railway Workshop	TE (SD I)	16/09/2017	Prof. S. S. Wani	1) To study different types of connections. 2) To study plate girder and gantry girder.

8	Sewage Treatment Plant, Panchak, Nashik	BE (EE II)	11/10/2017	Prof. A.L. Varne	To study the working of Sewage Treatment plant consisting Activated Sludge Process as secondary treatment method
9	Sewage Treatment Plant, Panchak, Nashik	BE (EE II)	11/10/2017	Prof. A.L. Varne	To study working of Sewage Treatment plant consisting UASB Reactor as secondary treatment method.
10	Business Square, Nashik	BE (SD III)	17/10/2017	Prof. A.V. Pisolkar	To study reinforcement detailing of Pre-stressed Concrete Slab.
11	Traffic Education Park' Mumbai Naka' Nashik	SE (Audit Course)	29/12/2017	Prof. A. J. Pawar	To provide basic overview on Road Safety & Traffic Management
12	AIMA, Dongare Vasatigruha Ground, Gangapur Road, Nashik	SE	20/01/2018	Prof. A. J. Pawar , Prof. S. U. Pandit & Prof. M.R. Chauhan	To identify different research areas
13	AIMA, Dongre Vasatigruha, Gangapur Road, Nashik	TE	20/01/2018	Prof. S. S. Wani	To identify different research areas
14	RMC Plant, B. P. Sangle Constructions Pvt. Ltd.	SE (CT)	17/02/2018	Prof. A. J. Pawar	To study working of RMC Plant.
15	Water Treatment Plant, Nilgiri Baugh, Nashik	TE (EE I)	24/03/2018	Prof. N.V. Sonawane	To provide knowledge of various treatment units of water supply.
16	Near Bhagwati Eye Hospital, Untwadi, Nashik	TE (SD II)	27/03/2018	Prof. S. S. Wani	To study the reinforcement detailing of different structural elements like slab, beam and column.
17	Suryawanshi Heights, Canal Road, Nashik	TE (SD II)	29/03/2018	Prof. S. S. Wani	To study the reinforcement detailing of different structural elements like column and footing.

18	At Bham Dam, Near Ghoti, Nashik	BE (DHS)	30/03/2018	Prof N. A. Ahire	To Study the different characteristics of Earth Gravity Masonry dam
19	At Darna Dam, Near Igatpuri, Nashik	BE (DHS)	30/03/2018	Prof N. A. Ahire	1) To study technical, social, financial and environmental impact of project on downstream and upstream side of dam. 2) To study Automatically operated / Reynolds's Gate.
20	Suyojit Viridian Valleys, Gangapur Road, Nashik	BE (CM)	04/04/2018	Prof. S. U. Pandit	To study Project balance sheet, Project cash flow analysis, work-breakdown structure & Material flow system
21	Canal Cross-drainage work, Near Amrutdham, Nashik	BE (DHS)	06/04/2018	Prof. N.A. Ahire	To study different types of cross-drainage work & Head Regulator required for smooth operation of irrigation as well as drainage canal.
22	Eklahare Thermal Power Plant, Nashik	BE (AP)	16/04/2018	Prof. N.V. Sonawane	To study the pollution control device i.e. ESP.
23	Parkside Residence, Hanuman Nagar, Nashik	BE (Plumbing)	19/04/2018	Prof. S. B. Ghadoje	To Study the different types of Plumbing fittings their installations and testing.
24	Rajhans Bungalow Mhasrul, Nashik	SE BTM	06/07/2017	Prof. S. N. Chaudhari	To Study the Planning aspects of residential building
25	MIDC , Ambad	TE (SD1)	07/07/2017	Prof. C.D. Kadbhane	To study industrial steel structures, different components & their connections
26	Railway workshop, Nashik	TE (INFRA)	08/09/2017	Prof. E. P. Galgalikar	To study components of Railway and understand working of crossing

27	Railway Workshop, Manmad.	TE (SD1)	16/09/2017	Prof. C.D. Kadbhane	To study Plate girder, Gantry girders, Connection of different components of Plate girder.
28	Sewage Treatment Plant, Nashik	BE (EE- II)	21/09/2017	Prof. E. P. Galgalikar	To study sewage treatment process and its usefulness
29	Tirumala heights, Nashik	SE (BTM)	03/10/2017	Prof. S. N. Chaudhari	To measure the various components of Building.
30	Rain gauge station, Nasik	TE (HWRE)	05/10/2017	Prof. S. N. Chaudhari	To study different components of rain gauge station.
31	Hydropower plant, Vaitarna dam	TE(FM- II)	12/10/2017	Prof. S. Y. Kute	1) To study the working of Hydropower Plant. 2) To understand the electrical components of Hydropower plant. 3) To observe working of Surge tank and draft tube.
32	Dwarkapuram , Retaining Wall, Nashik	BE (SD- III)	12/10/2017	Prof. P.D. Dhake	To study retaining wall.
33	Buisness square, Nashik	BE (SD- III)	12/10/2017	Prof. P.D. Dhake	To study reinforcement detailing of Pre-stressed Concrete Slab.
34	Viridian valley, Gangapur road, Nashik.	SE (APDB)	25/01/2018	Prof. S. N. Chaudhari	1) To study the Principles of Architectural Planning 2) To study the building safety Aspect
35	Bham Dam, Vaki dam, Darna dam, Ghoti, Nashik	BE (DHS)	06/02/2018	Prof. S. Y. Kute	To Study the different characteristics of Earth Gravity Masonry dam

36	Gangapur Dam, Nashik	BE (DHS)	26/03/2018	Prof. S. Y. Kute	To study the different characteristics of Earthen Dam.
37	WTP Plant, Nilgiri Baugh, Nashik	TE(EE-I)	27/03/2018	Prof. P. L. Pathak	To study various treatment unit of WTP.
38	RMC Plant, Nashik	SE (CT)	28/03/2018	Prof. S. S. Gadi	To study the mix design of concrete in RMC plant.
39	NTPS, Ekalahare	BE(Air pollution & control)	29/03/2018	Prof. P. L. Pathak	To study the air pollution monitoring by using computerized equipment.
40	Suyojit Viridian Valley, Nashik	BE (CM)	04/04/2018	Prof. S. S. Suryawan shi	To study Project balance sheet, Project cash flow analysis, work-breakdown structure & Material flow system
41	Traffic park, Nashik	SE (APDB)	05/04/2018	Prof.S.N. Chaudhari	To provide basic overview on Road Safety, Traffic Management and Planning.
42	Hydropower plant, Sardar Sarovar, Gujrat	BE (Hydropower Engg.)	02/04/2018	Prof. A. P. Keskar	To understand the different component of dam & hydro-power plant.
43	Sardar Sarovar, Gujrat	BE (DHS)	02/04/2018	Prof. S. Y. Kute	To understand the different component of dam & hydro-power plant.

**Prof. Dr. Pradip D. Jadhao**  
**Head of Department**
