About the Place Visited:

National Association of Blind (NAB) is a non-profit organization which is working perseveringly since 1979 for visually impaired persons. In 2008 the Organization was awarded the prestigious National Award by the Govt. of India for its admirable endeavors. its prime objective has been to make visually challenged persons-both children and adults- self-reliant and contributing members of the society.

The Organization lays special emphasis on education and skill development. It aims to send each and every visually challenged child into mainstream school. It highly advocates the concept of integrated education for social fulfillment. It also dreams to embed computer education and assistive technology into the lives of every visually impaired bringing them closer to the world. It ardently focuses on qualitative education and skill development.

Some of the activities done by National association of blind are Blindness Prevention , Nursery, Education, Talking Books, Braille Press, Rehabilitation, Vocational Training, Employment, Advocacy Research library and information, Recreation, Women's Empowerment, State Branches, Community Based Rehabilitation.
