### Chemical Engineering Department

(January 2016-june 2016)

**Prof. Dr. V. S. Mane,  
Head of the Department**

The department of Chemical Engineering was established in 1999 with an intake capacity of 60. The department is accredited by NBA, AICTE, New Delhi. It has an extremely dynamic faculty and well experienced supporting staff having strong research interests in conventional & emerging areas of Chemical Engineering.

The department believes in continuous up gradation of the knowledge of the faculty and has been sponsoring the faculty for the post graduation and research programme from last few years. It has ten state of the art laboratories having the equipments worth of Rs. 76.60 Lakhs. The department has adequate number of computers with latest configuration and internet facilities. The department provides excellent computational facilities including professional software's such as UNISIM, CHEMCAD, ZWCAD, ESPOIR SMART INTERVIEW SIMULATOR and MATLAB to the faculty and the students. In addition to this the department has its own library with 410 books and Chemical Engineering encyclopedia.

The department motivates the students to participate in various national events such as Project Exhibition, Paper Presentation, Model Making and Sports Competition. Many students have also received prizes. The department has a good track of record of academic results. Students of the department secured top ranks at university examinations & achieved success in GATE, GRE & other examinations. The students of the department has been recruited in the top national & international chemical industries & contributing an important role in them.

The Department has established students association named ACES (Association of Chemical Engineering Students). ACES organize Seminars, Workshops, Cultural Programmes, Expert Lectures on various topics like Personality Development, Preparation for Competitive Examination, study abroad etc. The association provides a strong platform for overall development of the students.

The department is proactive for good industry institute interaction. Department has signed MoUs with various industries for mutual benefit. Various experts from the industry are invited and industrial visits are organized every year regularly to bridge the gap between theory and practice. The department organizes in plant training for all second & third year

students every year in various eminent industries such as BPCL, HPCL, IOCL, Reliance, RCF, Biocon etc. Most of the final year projects get sponsorship from industry.

### Department Staff:

### Chemfest Report:

#### CHEMFEST 2K16

Department of Chemical Engineering organized a One day National Level Technical Symposium, CHEMFEST 2K16, on 16<sup>th</sup> March, 2016. The Symposium contains various competitions like Paper Presentation, Model Making, Poster Painting and Quiz Contest. The event promoted the theme of "Skill India". The Symposium was inaugurated at the hands of Chief guest Mr. B. Sitharaman, Director of BSR Technologies, Nasik and Honorable Principle Dr. K. N. Nandurkar. Mr. Chandrakant Mohikar (Petro-project Consultant), Mr. Ajit Tambe & Mr. Yogesh Lawand from Graphite India Pvt. Ltd., Ambad, Nashik, Mr. Rohan Pawar, RAP Consultancy and Mr. Rushikesh Bhandari, Purchase House, Ambad, Nashik were among the panel of judges for various events and Head of Chemical Engineering Department Dr. V.S. Mane promoted welcome speech for the event.

Chief Guest of the Valedictory function Mr. Sameer Patwa, Director of SAM Consultech, Ambad, Nashik distributed prizes to all the winners. Prof. S. S. Shinde,

Chemfest 2K16 Coordinator delivered vote of thanks for the event. The total registrations for various events in CHEMFEST2K16 were around 300.

### Expert talk Organised:

To bridge gap between curriculum and latest trends and strengthen PEOs, every week expert lectures of professional from industries and other organizations are organized on latest trends in various areas of Chemical engineering, career guidance, IPR, innovation, global warming, project guidance, entrepreneurship development, industrial safety, and guidance on higher Education.

### Industrial Visits Organised:

#### Industrial Visit (January 2016-June 2016)

It includes students going on a industrial visit to an organization relating to the profession for which they are being groomed in order to get a feel of the real world and

professional demands. It provides a valuable opportunity to discover the realities and practices of the practice of the profession the students are aiming for.

### Brief Summary Of In plant Training done By students:

During inplant training the students are deputed to work in an organization related to their professional field and thus get trained in that organization. They usually work on a project for the entire duration.

Department encourages students to undergo In-plant training. Through very good Industry –institute interaction during every summer vacations students are participating in In-plant training. More emphasis is given on participation of large number of students in In-plant training in Industry
