Chemical Engineering Department

(January 2017-June 2017)

**Prof. Dr. V. S. Mane,
Head of the Department**

The department of Chemical Engineering was established in 1999 with an intake capacity of 60. The department is accredited by NBA, AICTE, New Delhi. It has an extremely dynamic faculty and well experienced supporting staff having strong research interests in conventional & emerging areas of Chemical Engineering.

The department believes in continuous up gradation of the knowledge of the faculty and has been sponsoring the faculty for the post graduation and research programme from last few years. It has ten state of the art laboratories having the equipments worth of Rs. 78 Lac. The department has adequate number of computers with latest configuration and internet facilities. The department provides excellent computational facilities including professional software's such as UNISIM, CHEMCAD, ZWCAD, ESPOIR SMART INTERVIEW SIMULATOR and MATLAB to the faculty and the students. In addition to this the department has its own library with 410 books and Chemical Engineering encyclopedia.

The department motivates the students to participate in various national events such as Project Exhibition, Paper Presentation, Model Making and Sports Competition. Many students have also received prizes. The department has a good track of record of academic results. Students of the department secured top ranks at university examinations & achieved success in GATE, GRE & other examinations. The students of the department has been recruited in the top national & international chemical industries & contributing an important role in them.

The Department has established students association named ACES (Association of Chemical Engineering Students). ACES organize Seminars, Workshops, Cultural Programmes, Expert Lectures on various topics like Personality Development, Preparation for Competitive Examination, study abroad etc. The association provides a strong platform for overall development of the students. A national level technical event 'ChemFest 2K17' was organized successfully on 20th and 21st March 2017. This event provided a platform for active interaction of students to bring innovative ideas in the Projects & Model Making in Chemical Engineering.

The department is proactive for good industry institute interaction. Department has signed MoUs with various industries for mutual benefit. Various experts from the industry

are invited and industrial visits are organized every year regularly to bridge the gap between theory and practice. The department organizes in plant training for all second & third year students every year in various eminent industries such as BPCL, HPCL, IOCL, Reliance, RCF, Biocon etc. Most of the final year projects get sponsorship from industry.

Chemfest Report:

CHEMFEST 2K17

Department of Chemical Engineering organized a One day National Level Technical Symposium, CHEMFEST 2K17, on 20th March and 21st March, 2017. The Symposium contains various Technical competitions like Paper Presentation, Model Making, Poster Painting, Salt Act and Quiz Contest Non Technical Competitions like Neon Cricket, Quizzard, Beg-Borrow-Steal, Counter-Strike-1.6, Mini Militia. The event promoted the theme of "Go Green". The Symposium was inaugurated at the hands of Chief guest Dr. V. G. Pangarkar, Retd. Professor & Head, ICT, Matunga and Honorable Principle Dr. K. N. Nandurkar. Mr. Chandrakant Mohikar (Petro-project Consultant), Mr. Ajit Tambe, Graphite India Pvt. Ltd., Ambad , Nashik, Mr. Rohan Pawar, RAP Consultancy, Nashik and Mr. Rushikesh Bhandari, Purchase House, Ambad, Nashik were among the panel of judges for various events and Head of Chemical Engineering Department Dr. V.S. Mane promoted welcome speech for the event. The vote of thanks for Inaugural Function was proposed by Prof. D. H. Mahale, ACES Co-coordinator.

Valedictory function was held on 21st March, 2017. Chief Guest of the Valedictory function Mr. Kishor Rathi, Director, Advanced Enzyme Technologies Ltd., Nashik, & Mr. Ashok Deshpande, Director, Centre of Excellence, Upnagar, Nashik and Mr. Rushikesh Bhandari, Purchase House, Ambad, Nashik distributed prizes to all the winners. Prof. P. P. Joshi, Chemfest 2K17 Coordinator delivered vote of thanks for the event. The total registrations for various events in CHEMFEST2K17 were around 375.

Expert talk Organised:

To bridge gap between curriculum and latest trends and strengthen PEOs, every week expert lectures of professional from industries and other organizations are organized on latest trends in various areas of Chemical engineering, career guidance, IPR, innovation, global warming, project guidance, entrepreneurship development, industrial safety, and guidance on higher Education.

Industrial Visit Organised:

Industrial Visit (Jan 2017-June 2017)

It includes students going on a industrial visit to an organization relating to the profession for which they are being groomed in order to get a feel of the real world and professional demands. It provides a valuable opportunity to discover the realities and of the practice of the profession the students are aiming for.

Brief Summary of In plant Training done by students:

During Inplant training the students are deputed to work in an organization related to their professional field and thus get trained in that organization. They usually work on a project for the entire duration.

Department encourages students to undergo In-plant training. Through very good Industry –institute interaction during every summer vacations students are participating in In-plant training. More emphasis is given on participation of large number of students in In-plant training in Industry.
