**Report of Parents meeting organized by Electronics & Telecommunication Department**

Parents' meeting was arranged by department of Electronics & Telecommunication at AV hall on 6<sup>th</sup> Oct 2018 Saturday from 10.30am to 12.30pm. Near about 30 Parents of SE, TE and BE (E&TC and ELTX students) were present for parents meeting. Prof. Dr. S. S. Morade started his departmental overview presentation showing departmental vision and mission to parents. While talking about salient features of the department he explained how our dynamic, hardworking and experienced staff takes efforts to educate their child.

He explained about different activities done by department to groom the students which include industrial visits, various training programs, value added course, soft skill programs etc. While talking about initiatives taken by department for enrichment of the students he explained different tolls used for innovative teaching learning activities. He also explained briefly achievements and awards received by students as well as faculty. At the end he appeal to parents to encourage students to participate in various activities and club memberships (Astro Club, Autonomous vehicle club, Redex, Environmental club) and to be in contact with all class coordinators

Presentation on Training and Placement (T&P) activities is given by Prof. V. R. Lele and Prof. N. M. Bhujbal who are working as departmental T & P coordinators. Prof. Lele madam explained various activities done by T&P cell to transform eligible student to employable person. She explained very nicely why campus selection process is considered as transparent process of selection. She also explained about various training sessions organized by T & P cell which makes students ready for interview. These activities include training regarding aptitude tests, reasoning tests, technical tests, group discussions and personal and technical interviews. Prof. N.M Bhujbal explained about different opportunities after BE, Like higher studies, Jobs in private sectors and government sectors.

Quires raised by parents are solved by all the staff members. Meeting ended with parent's interaction with respective class coordinators.
