Near about 30 Parents of SE, TE and BE (E&TC and ELTX students) were present for parents meeting. Meeting started by welcome speech given by Prof. S. V. Shelke. She explained Vision and mission of the department to all the parents. While giving departmental overview presentation she explained about efforts taken by faculty to groom their students. She also put light on various training programs, industrial visits, value added course, soft skill programs arranged for students.

Presentation of various activities done by Training and Placement (T&P) cell is given by Prof. N.M. Bhujbal. Along with the last three years placement count, he also explained placement opportunities in various sectors. He put light on the various companies visiting for campus requirement and their selection procedure.

Following queries raised by parents which were answered by faculties.

1. One of the parents requested to send attendance of their ward through message or email.
2. One of the parent raised question whether career booklet is accessible to all the students?
3. Why recruitment is more in software companies than that in hardware companies?

Response given to above queries

1. Attendance of students can be checked and verified through their ERP login from any location. Demo of how to access ERP log in is given to parents.
2. Career booklet is available in departmental library and soft copy of the book is already shared to all the students of E&TC and ELTX.
3. Even though electronics is core branch software companies recruit students for technical positions.

Meeting ended with parent's interaction with respective class coordinators.
