**Academic Year: 2016_17,2017-18,2018-19**                          **Semester: I & II**

**Course Name: All Subjects**

**Class:  SE**                                                  **Division: A & B**

**Name of the Faculty: S.K.Gondhalekar, C.R.Patil, M.P.Mahajan, P.P.Vaidya, S.M.Malao, M.J.Patil, N.M.Pagare, S.P.Solunke**

**Name of Method: Use of Smartphone**

**Description:** A Whatsapp group was created for SE students. One multiple choice questions was posted on Whatsapp group to students every day on one subject per day and students were asked to provide correct options. Numbers of correct and incorrect responses were recorded and discussion on same was done in classroom.

**Impact of Innovative Method:**

It helped students to prepare for university online exams and they were able to discuss their difficulties.
